### DESCRIPTION

---

Stunning 1940's Barovier glass chandelier with semi-spherical dome shade, twisted glass stem and ribbed glass canopy. Light grey glass with thick bubbled pieces creating beautiful pattern. Newly re-wired with two interior sockets, takes an E26 bulb with 60 watts max each socket. Original glass canopy measures 6". Glass has some interior cracks which do not cause any structural issues, as seen in photos. Measures 31" H x 11" D.
